AN ACT

TO PROVIDE FOR THE SELECTION AND SALE OF LANDS THAT HAVE BEEN, OR MAY HEREAFTER BE GRANTED BY THE UNITED STATES TO THE STATE OF NEVADA.

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

SECTION 1. For the purpose of selecting and disposing of the lands that have been, or may hereafter be granted by the United States, to the State of Nevada, including the sixteenth and thirty-sixth sections, and those selected in lieu thereof, in accordance with the terms and conditions of the several grants of land, by the United States to the State of Nevada, a State Land Office is hereby created, of which the Surveyor General shall be, and is hereby made ex-officio Land Register. He shall as such Land Register, be required to give bonds, in the sum of ten thousand dollars, for the faithful performance of his duties; which bonds shall be approved by the Governor, and filed in the office of Secretary of State. The Land Register shall keep his office at the seat of Government, and the same shall be kept open, on all legal days, between the hours of 10 o'clock A. M. and 4 o'clock P. M. for the transaction of business.

SEC. 2. The Register shall procure one copy of each township plat of the public surveys now approved, or that may hereafter be approved, by the proper United States authorities, unless the same shall have been previously obtained; *provided*, that the cost of the same shall not exceed eight dollars each, and shall be made upon drawing paper. He shall keep a record of all applications, and of all lands which have been, or may hereafter be, approved to the State, and of all lands which have been sold by the State, which together with all plats, papers, and documents relating to the business of his office, shall be open to public inspection, during office hours, without fee therefor.

SEC. 3. The Register shall furnish, within a reasonable time, a copy of the plats of townships, within any county to the County Surveyor, of such county, to be used by him in furnishing such information as the

Register may require of him concerning the lands within such townships ; and all lands sold by the State, shall be reported by the Register to the County Surveyor of the county in which such lands are situated, and said Surveyor shall immediately mark the same upon the township plat in his office, in accordance with the instructions of the Register, and said County Surveyor shall keep such plats subject to the inspection of all persons interested in examining the same, on all legal days during office hours. Whenever a County Surveyor shall have knowledge of any tract or tracts of land within his county, subject to selection by the State, and which, for any cause may appear to him to be of special value to the State, he shall report the same to the Register ; describing such location, with reference to the Government surveys, by legal subdivisions, and he shall state fully and definitely in such report his reasons for considering such tract or tracts of special value.

SEC. 4. The minimum price of all lands embraced in this Act, not included within the twenty miles Central Pacific Railroad limits, is hereby fixed at one and one-fourth dollars per acre, in currency ; and the minimum price of all lands, within said twenty miles limit, is hereby fixed at two and one-half dollars per acre, in currency. But the Board of Regents of this State shall have power to fix a higher price per acre upon any of said lands not settled upon or applied for, by individuals prior to the date of such higher price having been fixed.

SEC. 5. All land to which the State has acquired title, except those specified in section seven of this Act, when in the opinion of the Board of Regents it shall be advisable for the interests of the State, shall be advertised by the Register as being subject to sale at the minimum price, unless a higher price shall have been fixed thereupon by said Board, and if a higher price shall have been fixed, then at such higher price. And such notice shall specify that such land may be purchased at the price stated, at any time within six months after the date of such notice ; and if not purchased within such specified time, the Board of Regents may reduce the price ; *provided*, they do not reduce it below minimum price, and the Register thereupon shall readvertise the same at such reduced price.

SEC. 6. All applications to purchase land shall be made in writing, to the Land Register, and shall be signed by the applicant, his or her agent, and shall designate, in conformity with the United States survey, the tracts of land applied for, number of acres, price per acre, and amount necessary to purchase such land, and the section of this Act under which the applicant wishes to purchase ; also, residence, postoffice address, and county in which such land is located.

SEC. 7. Upon the application of any person to purchase land, not previously selected by the State, the Land Register shall certify to the State Controller that such person is entitled to apply for the land, describing the same as in the application, which shall accompany said certificate, and such certificate shall state the amount necessary to purchase said land ; the Controller shall thereupon issue his order, directing the State Treasurer to receive from such applicant said amount, placing the same into the State School Fund, and upon such payment being made, the Treasurer shall issue his receipts in duplicate, describing the land applied for, and he shall at the same time enter in his abstract of applications the name or names of the person or persons so applying, number, description of land, date of receipts, and amount paid by the applicant. Upon the return of the application with the Treasurer's receipt to the Land Office,

the Register shall file the same, which shall complete such application. Whenever purchase can be completed, in whole or in part, upon land thus applied for, the Land Register shall certify the same to the Controller and Treasurer each, and shall at once proceed to perfect the sale. Upon thus certifying to the Treasurer, the Register shall surrender the Treasurer's receipt therewith issued on payment made by applicant; the duplicate receipt becoming null and void on the completion of such purchase. Should the Controller, upon the receipt of such certificate, find that any payment had been wrongfully apportioned, he shall issue his order directing the Treasurer to transfer such amount to its proper fund. If, from the non approval of the land to the State or other cause, the contemplated sale cannot be perfected in whole or in part, then upon the demand of the applicant, the Land Register shall certify to the Controller that such applicant is entitled to the amount paid by him or her, from the non approval or other cause, as the case may be, and the Controller shall draw his warrant upon the State School Fund for the amount due such applicant, and the same shall be paid by the Treasurer. The Land Register shall, at the same time, certify in like manner to the State Treasurer of the non approval of such land, returning the receipt filed in his office by such applicant; the duplicate receipt becoming null and void. Upon the application of any person for the purchase of land not previously selected by the State, when such application is accompanied by the Treasurer's receipt, the Land Register shall serve the Surveyor of the county in which such land is situated with a written notice of such application to purchase, and said Surveyor shall post the same conspicuously in his office for the period of sixty days from the date thereof.

SEC. 8. Upon the application of any person or persons for the purchase of land after the State has obtained title thereto, should such person or persons be entitled to purchase, the Land Register shall certify the same to the Controller; said certificate shall be accompanied by such application, as provided in section seven of this Act; whereupon the Controller shall issue his order directing the Treasurer to receive the amount necessary to purchase such land, placing the same in the fund specified in the order. Upon payment being made by applicant, the Treasurer shall issue his receipt for the same, and on return of said application, with the receipt to the State Land Office, the Register shall thereupon file the same and perfect such sale.

SEC. 9. In addition to the mode and manner of sale of the lands belonging to the State the State Register is hereby further empowered to sell and dispose of any agricultural or grazing lands payable in installments as hereinafter specified; that is to say, with any party or parties wishing to purchase lands under the provisions of this section, and who shall have made proper application therefor, and duly established his or her or their right to purchase under the provisions of this Act, the State Register is hereby authorized and required to enter into contract to sell such lands, at such price as the same may be valued for the time being by the proper authority, payable as follows, to wit: One-fifth of the amount to be paid at the time of contract, and the balance in nine equal annual installments, with interest at the rate of ten per centum per annum, payable annually upon all deferred installments; *provided*, the purchaser, his or her heirs or assigns may, at any time prior to the maturity of such contract make full payment. All such contracts shall be entered into in writing with the party or parties so purchasing, in which the conditions shall be distinctly expressed that, upon failure to pay the

principal and interest thereon as stipulated, the said land shall immediately and unconditionally revert to the State and be thereafter subject to sale in the same manner and under the same conditions as though no such prior contract and sale had been made. It shall be the duty of the Register to certify each sale and the terms thereof to the State Treasurer, and the Register shall at the same time certify to the Controller the amount necessary for the first payment and for each succeeding payment until full payment shall have been made; and the Controller, upon the receipt of each such certificate, shall issue his order to the Treasurer as in section seven of this Act; and upon payment being made by the applicant of the amount specified in the order, the Treasurer shall issue his receipts in duplicate, and when full payment shall have been made, patents shall issue to the purchaser, his or her heirs or assigns, as provided for in section thirteen of this Act; *provided*, that no timbered land shall be sold, unless the whole purchase price shall be paid at the time of application.

SEC. 10. The holder of any unlocated land warrant of this State, heretofore issued, shall have the right to use the same in payment for lands which he or she may desire to purchase from the State; and any person holding any of said paid warrants for one hundred and sixty acres or less, at the rate of two and one-half dollars per acre, shall be allowed to surrender the same to the State Treasurer, in full payment for double the number of acres expressed therein, of land valued at one and one-fourth dollars per acre, and upon the surrender of such land warrant to the Controller by the Treasurer, properly endorsed, the Controller shall draw his warrant upon the State School Fund, in favor of the State Treasurer, for the amount of said land warrant.

SEC. 11. The State Treasurer shall render to the State Controller a true and correct statement of the amount of Special Deposits on hand made by applicants for the purchase of State lands, and the Controller shall thereupon order the same to be transferred from the Special Deposit Account to the State School Fund. All moneys hereafter paid into the Treasury on land shall be paid in on an order from the Controller, and all moneys refunded to applicants shall be drawn out upon a warrant issued by the Controller upon the Treasurer, as provided in section seven of this Act. All purchases to be completed or amounts to be refunded upon Special Deposit receipts issued by E. Rhoades, defaulting Treasurer, and still outstanding, shall be disposed of in the following manner: Whenever purchase can be completed, in part or in whole, upon land thus applied for the Land Register shall perfect such sale, surrendering to the Controller the Treasurer's receipts issued by said E. Rhoades, with his certificate of the completion of such sale, and the Controller shall receive and file the same in his office as vouchers. The Register shall at the same time also certify such sale to the Treasurer; And whenever, for non approval of the land to the State, or other cause, the contemplated sale cannot be completed, the Land Register shall surrender to the Controller said Special Deposit receipts, with a certificate that said applicant is entitled to the amount paid; and the Controller shall thereupon file such receipts and certificate in his office as vouchers, drawing his warrant upon the proper fund for said amount, and the Treasurer shall pay the same. The Land Register shall, at the same time, certify the non approval in like manner to the Treasurer.

SEC. 12. An occupant or party in possession, shall have a preferred right to purchase not exceeding three hundred and twenty acres of land

at the minimum price, for the period of six months after the date of approval to the State of the lands occupied or possessed by him or her; and when two or more persons, claiming a preferred right by reason of occupancy or possession, apply to purchase the same lands, the Register shall certify such applications to the District Court of the county in which such lands are situated and notify the contesting applicants thereof. The Judge or Court shall then appoint a commissioner in the vicinity of the land so in dispute to take and report to such Court all the testimony of the parties in the case. The contest shall then be tried and determined as ordinary actions in said Court, and when so determined, shall be certified to the Register, who shall proceed thereafter with the successful contestant in the same manner as if he alone had applied in the premises; *provided*, that all costs attending such contest shall be paid by the parties litigant, as the Court or Judge may determine; *and, provided further*, that a preferred right shall be based upon occupancy or possession dating prior to any application to purchase the land having been filed with the Register. When two or more persons, neither claiming a preferred right, apply to purchase the same lands, the first applicant shall be allowed to purchase.

SEC. 13. No person shall be allowed to purchase more than three hundred and twenty acres of land from the State under the provisions of this Act.

SEC. 14. It is hereby made the duty of the Register to select as portions of the several grants of land to this State, all lands for which money has been deposited under the provisions of section seven of this Act. And whenever he shall have knowledge of any tract or tracts of land within the State, which for any cause may appear to him to be of special value and subject to location by the State, he may select the same, and if necessary, by and with the advice and consent of the Board of Regents, instruct the County Surveyor of the county wherein such land is situated, to survey such lines and make such examination as may serve to indicate the proper location and true character and quality of such lands, and said County Surveyor shall, without delay, proceed to make such survey or examination and shall report the same to the Register in accordance with such instructions as he may have received; and for such services he shall receive such sum as the Board of Regents may allow, and for the faithful performance of such service said County Surveyor shall be liable upon his official bond.

SEC. 15. The title of the State to any lands sold under the provisions of this act shall be conveyed to the purchaser, or his or her heirs or assigns, by patents free of charge, in such form as the Attorney General and Register shall jointly prescribe, to be prepared by the Register, signed by the Governor, and shall have the Great Seal of the State affixed by the Secretary of the State, and shall be countersigned by the Register, and the Secretary of State and State Register shall keep a record of the patents issued.

SEC. 16. The State Register shall be entitled, as such Register, to a salary of two thousand six hundred dollars per annum, to be paid quarterly; and he is hereby authorized to appoint a deputy, who shall be entitled to a salary of three thousand dollars per annum, to be paid monthly. The Controller of State shall, at the end of each month, draw his warrant upon the State Treasurer in favor of said deputy for the amount of his compensation then due, and the State Treasurer shall pay the same out of any money derived from the sale of lands.

SEC. 17 All funds derived from the sale of lands under this Act, shall be invested in interest bearing bonds of the State, or of the United States, as required by section three of the eleventh article of the Constitution of this State. The proceeds of the sale of lands donated to this State by Act of Congress of July 2nd, 1862, shall be invested by the Board of Regents; and the proceeds of all other lands herein referred to, whenever the sum of five hundred dollars shall have been paid into the State School Fund, shall be invested as directed by law.

SEC. 18. All claims and accounts for services or for expenses authorized by, and necessarily incurred in carrying out any of the provisions of this Act, except the salaries of the Register and his deputy, shall be presented to and audited as other claims by the State Board of Examiners; and when any claim shall be passed and allowed by said Board, they shall apportion the same so payable or chargeable, to the several funds derived from the sale of lands as they shall deem proper, and so much of the funds received from the sale of lands in the several grants as may be necessary for the payment of such audited claims, shall be, and the same is hereby appropriated out of the several funds respectively for the payment of such claims, and the Controller shall draw his warrant accordingly. The Board of Examiners are hereby authorized and directed to allow and direct to be paid such sums to the Receivers of the United States Land Offices for any official services performed by them in relation to the designation of the selected lands upon the books of their respective offices, as they may be justly entitled to receive under the laws of the United States, or the instructions of the proper department at Washington City.

SEC. 19. An Act entitled "An Act to provide for the selection and sale of lands granted by the United States to the State of Nevada," approved April, 2, 1867, and also, an Act entitled "An Act to provide for the selection and sale of lands granted by the United States to the State of Nevada," approved March 4, 1871, and all other Acts and parts of Acts, so far only as in conflict with the provisions of this Act, are hereby repealed; *provided*, that such repeal shall not divest any parties of any rights heretofore acquired under any of said Acts referred to.
